

FUNCTIONS

in our garden bar

EAGLE BAY
BREWING CO

OUR GARDEN BAR

40 - 100pax

Exclusive Hire: \$100 per hour

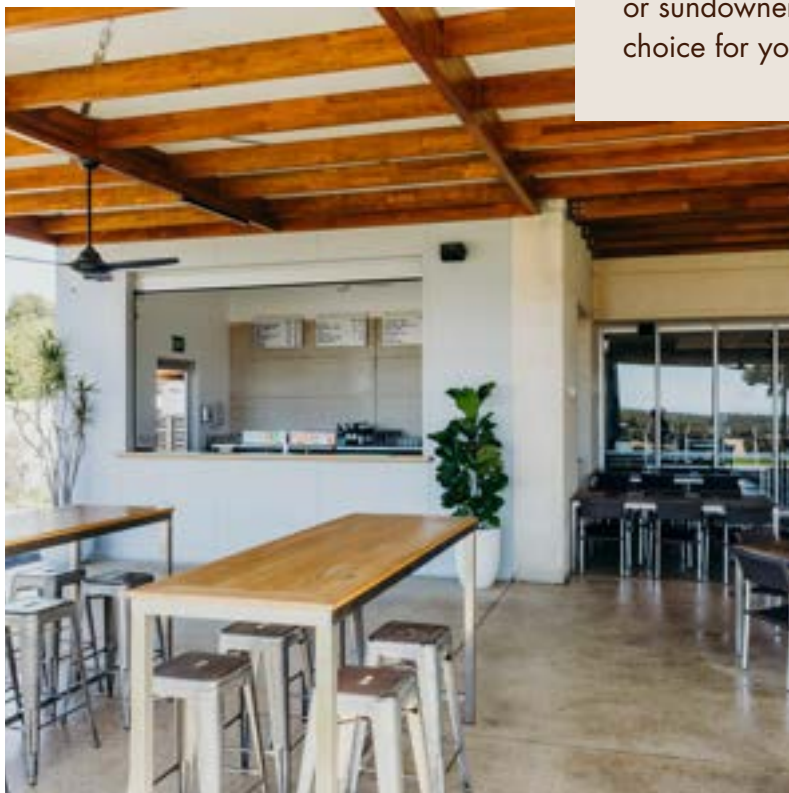

Located on the right hand side of our restaurant, our garden bar is the perfect place to experience sweeping views of both farm land and ocean.

A laid back alternative to the restaurant, the alfresco style space is great for larger groups for any occasion. With fans and heating options, it can be utilised year round.

INCLUSIONS:

- Exclusive use of the space for your function
- A 14 tap bar with all of our drink options available
- A range of high tables and low tables to suit your function needs
- Next to our lawn area, your guests can utilise this space and spread out onto the grass
- Undercover and protected from the weather

Ideal for birthday celebrations, pre or post wedding recoveries, work functions or sundowners. Make this space an easy choice for your next function.

Food & Drinks

Our drinks selection includes our range of Eagle Bay Brewing Co. handcrafted beer, Eagle Bay Vineyard wine and bubbles along with a range of locally sourced non-alcoholic drinks and spirits. Our garden bar holds our entire drink selection so that your guests do not have to miss out.

Our restaurant menu focuses on what's in season, with Head Chef Josh De Caen using fresh, local ingredients in every dish. We have great share items and pizzas perfect for all occasions.

You are welcome to pre-order and organise some food for your guests, or your guests order and pay as they wish. We can set up a tab if you are covering the costs or have something more casual and just reserve the space for your guests.

Chat to our functions team to customise your food and drink options

Thankyou for considering
Eagle Bay Brewing Co. for
your function.

Together with our functions &
restaurant team, we are passionate
about creating beautiful
celebrations with professional and
customised event planning. Eagle
Bay Brewing Co. is a place for
lovers of good food and
handcrafted drinks in a relaxed
setting. We look forward to
chatting with you both about your
upcoming functions.
